

A simple guide to RSN online spreadsheets - Spending on Children's & Young People's Services (data taken from Public Health Profiles, PHE)

This analysis looks at spending on children's and young people's services. The data is taken from the Public Health Profiles published by Public Health England. To select the authority of interest, and the measure of interest, please follow these steps:

Using the mouse, left click on the cell containing an authority name or measure of interest.

Clicking this time on the grey square with a blue triangle to present the drop down list of options, use the scroll bar to find the item of interest.

I hope this helps and the spreadsheet provides a useful picture of the situation in your area. If you have any comments or suggestions, please contact dan.worth@sparse.gov.uk
